

# Butter Cow Design Contest

The Butter Cow is always a hit at the Utah State Fair. An entire sculpture carved out of butter...how cool is that! This year, we would like to involve Utah Jr. High art students in deciding the sculpture's design. The design must involve a dairy cow, but other than that, let creativity be your guide. To get you thinking, check out past sculptures below and on our Facebook page: [www.facebook.com/DairyUTNV](http://www.facebook.com/DairyUTNV) or our Website [www.utahdairycouncil.com](http://www.utahdairycouncil.com)

The top 5 design sketches will be selected and then presented for open online judging.
